

## **Response to Editor Corrections**

### **“Origins of Multi-decadal Variability in Sudden Stratospheric Warmings” by Oscar Dimdore-Miles et al.**

We thank the editor for their final corrections to the manuscript. We have addressed all points raised and added the recommended references. We thank the Editor for their help over the whole submission process as well as other members of the team at WCD. We look forward to submitting other work to your journal in the future.

Kind Regards

The Authors.
